Program. Students are responsible for catching up on missed content. While make-up sessions may be offered at the Academy's discretion, they are not guaranteed.

## **ACADEMIC COMMITMENT AND DISCLAIMER**

Students are encouraged to participate fully and practice regularly outside of classroom hours. Acon Academy provides structured instruction and support but cannot guarantee exam outcomes, language proficiency milestones, or results related to immigration or employment.

## **MEDIA CONSENT**

with applicable Canadian privacy laws. Acon Academy does not share student data with third parties without explicit consent, except where required by law.

## **EXAM NOTIFICATION & RESULTS SHARING**

Students are expected to notify the Academy in writing before booking their TEF examination. While not a condition of enrollment, it is strongly recommended that students also share their official TEF results with the Academy upon receiving them. This allows the Academy to track student progress, maintain academic standards, and provide tailored guidance.

The student acknowledges that any certificates, letters, or documentation issued by Acon are provided as confirmation of course completion or participation only. The acceptance, recognition, or use of such documents for immigration or any other official purposes is solely at the discretion of the relevant immigration authorities or governing bodies. Acon does not guarantee that its certifications will be accepted for any specific application or outcome.

## **EXIT INTERVIEW REQUIREMENT**

All students who complete their program are required to participate in an Exit Interview with the Dean on their Graduation Day. This meeting ensures proper academic closure, provides an opportunity for final feedback, and confirms program completion.

## **ENTIRE AGREEMENT AND AMENDMENTS**

## **SCHEDULE A COURSE FEE:**

Your total course fee is determined under the Tuition & Payment Terms outlined in this agreement. As part of that total, a \$1,000 portion is strictly non-refundable. This amount covers essential costs the Institution incurs in processing your enrollment and preparing your access to course resources. The breakdown of your fees is as follows:

- Tuition Fee: \$3950
- Application Fee: \$700
- Course Materials: \$1500
- Online Portal Access: \$1100
- Administrative Fee: \$750

These fees support registration processing, resource allocation, account creation, and other administrative preparations that take place before and at the time of enrollment. Once you are officially enrolled, this \$1,000 portion cannot be refunded under any circumstance, including withdrawal, cancellation, non-attendance, or inability to complete the course.

The remaining balance of your tuition, if any, will be subject to the Institution's withdrawal and refund policies as set out in the Tuition & Payment Terms.
